3333 Mount Prospect Road
Franklin Park, IL 60131

Rain Caps

- Great solution for forklift operator’s who need some outdoor protection, but without the expense of a cab or partial cab.
- Great Protection for the forklift operator, diverts rain, snow, dust and small particulars away from driver.
- Easy to install with 4 rubber grommets pre-drilled holes.
- Attaches with high-tension nylon cable ties.
- Eliminates make-shift devices such as cardboard, plywood or shrink-wrap which is sometimes used for protection against rain.
- Rain cap can be custom ordered to fit all of your forklift needs.
